General Summary

Dr. Sprunt and her partners at Texas Breast Specialists are one of the only fellowship-trained breast surgical groups in Austin. She specializes in breast surgery and treats all breast conditions, from benign breast disease to malignant. She completed a breast surgical oncology fellowship at the University of Southern California (USC) where she learned unique oncoplastic techniques to treat breast disease. She is board-certified by the American Board of Surgery.

Quote from Online Portal

"I've seen many health professionals in my life and Dr. Sprunt is one of those rare individuals that when she took her Hippocrat[ic] Oath she embraced it mind body and soul. I am very confident with her and her staff to ensure that I receive the best medical care available."
