General Summary

Lauren Groff, MSN, AOCN, APRN, has more than 16 years of oncology nursing experience. Lauren received her Master of Science in Nursing from Texas Woman's University in Denton, Texas. During her medical training, she completed a variety of clinical rotations specializing in both family and specialty nurse practice. Lauren has also worked at multiple Texas Oncology sites of service, supporting the infusion, medical oncology, radiation oncology, gynecologic oncology, and blood and bone marrow transplant service lines. She now works as a nurse practitioner and looks forward to continuing to strengthen her patient education and working with the Texas Oncology-Plano East team.

Education

- **Master of Science in Nursing**
